

Delete Your "Jigle" Account

At Jigle, we understand the importance of your privacy and the control over your personal data. If you wish to delete your Jigle account and associated data, you can easily do so through our app. Please follow the steps below to request account deletion:

- I. 1. Access Account Settings: Open the Jigle app on your device, go to your profile, and then navigate to "General Settings."
- II. 2. Request Account Deletion: In the General Settings menu, find and select the "Delete Account" option.
- III. 3. Confirm Deletion: Follow the on-screen instructions to confirm the deletion of your account. No password entry is required for this process.

Data Deletion After Request: When you request deletion, your account and related data will be permanently removed from our servers. This includes your profile, posts, and shared data. For legal or security reasons, some data might be kept for a limited time.

Need Assistance?

If you have any questions or need assistance with the account deletion process, please do not hesitate to contact our support team at
